COPY OF THE LAST PAGES OF THE

LIFE OF P. T. BARNUM,

WRITTEN BY HIMSELF. Bringing His History Down to March, 1872

In sending these last pages to the printer in March, 1872, I may say that nes of memory, accompanied with painful my manager, Mr. Coupe, and his as ensation of having left undone something sustants, and myself, have been busy ever since new year's in reorganizing our great traveling show, building new oms attend the disease, and at other times cages, and painting, gilding and revery few of them; but the liver is generally pairing others. One of the great the organ most involved. Cure the liver carved, mirrored and gilded chariots, from England, used by me in 1871 is a Dr. Simmons' Liver Regu- grand affair, made telescopic, and when extended to its full height reach A preparation of roots and herbs, warranted es an attitude of forty feet, on the top to be strictly veget ble, and can do no inju- of which, in our street processions, we iv to any one. It has been used by hun-place a young lady continued to per one of the most reliable, efficacions and sonate the Godden of Liberty. The haimles preparations ever offered to the regulding of this one vehicle prepara suffering. If taken regularly and persistent- tory to opening our epring campaign y it is sure to cure Dyspepsia, Headache, cost about five thousand dollarsenough to build a nice house in the country. The wintering of my horses nervousness, chills, diseases of the skin, im. and wild animals, salaries of employ purity of the blood, melancholy or depressives and expense of fitting up properly for the next season, cost over \$50,000 the bowels, pain in the head, fever and ague, During the winter my agents abroad have shipped me many interesting and expensive curiosities. Indeed, snip after ship has brought me so many rare animals and works of art that I have sometimes been puzzled to find places to store them.

Two beautiful Guaffes, or Cameleo pards, were dispatched to me, but one hed on the Atlantic, making three of these tender and valuable animals that bave lost within a year. The only one on this continent at this present writing is mine. He is a beauty. I own another, which is now in the Royal Zoological Gardens, Regent's Park, London, ready to be shipped at any moment should I unfortunately be obliged to send a massage by the Atlantic cable announcing the death of

Other managers gave up trying to m port Giraffes neveral years ago, ow ing to the great cost and care attending them. No Graffe has ever lived two years in America. These very impediments, however, incited me to value as curcosities. I hear that my example has stimulated the manager of a small show to try and obtain a gr raffe. I am educating the public curi ority and taste to demand so much that is rare and valuable, that many managers will have to give up the show business, as several have this opring, while others must be more lib

rial and enterprising if they succeed. Hitherto many small showmen who amount of \$20,000, would get a half a by my perplexed manager a hundred ing leaps of a hundred miles or more dozen cases of cheap animals, two or times since New Year's. three fourth rate orcus riders, a few three or four broken down ring horses; and will appreciate it. acrobate or tumblers, a clown, and then buying some ready printed dashy show bills mis representing their show, rie and circus, and perhaps clear the more than seventy additional horses there are some persons who are bound have rendered necessary, to go to the show whatever may be its morits.
